

Paradise Permaculture Institute

Permaculture Design in a Nutshell

Wednesday, May 8th, 2019 6-8pm

Free Presentation

Livingston Park County Public Library

228 W Callender St, Livingston, MT 59047

We can learn how to care for the earth and its people by using permaculture principles and design tools, and expanding our thinking beginning in our own gardens!

Permaculture offers us life principles we can teach our children and create a resilient planet with an abundance of healthy food. Come and see what ideas you can take home to benefit your family and community, including tips for everyone who likes to garden.

Presenter: Mona Lewis, Permaculture Design Specialist
