Livingston Garden Tour

Sunday, August 4, 10am-Noon, Free

Location: PPI Demo Site, 16 Willow Bend Ln

PPI is excited to be part of the annual Livingston Garden Tour! Stop by and tour our demo site, including our all-season rolling high tunnel greenhouse, hügelkultur beds, fruit tree food forest, and more. PPI is dedicated to teaching gardeners how to create sustainable, ecologically informed landscapes that work with nature rather than against it. Our expertise is invaluable to those interested in learning how to extend the growing season in Livingston's harsh climate.
