

# Paradise Permaculture Institute

## Upcoming Workshops

November 2019

Class registration: [www.paradisepermaculture.org](http://www.paradisepermaculture.org) or 222-9999

### **Immune Boosters**

**with Herbalist Angela Segraves**

*Location: TBA upon registration*

*Saturday, November 2 • 10am-1pm, \$30*

Learn about the many plants that boost the immune system. You will make an immune-boosting syrup, such as elderberry or ginger, to take home. \$5 material fee for each jar.

### **Antiviral Tinctures**

**with Herbalist Angela Segraves**

*Location: TBA upon registration*

*Saturday, November 9 • 10am-1pm, \$30*

An in depth look at viral and bacterial infections worldwide, the importance of having basic Antiviral Tinctures to have on hand. We will make a variety of tinctures addressing viral infections. \$5 material fee per tincture.

(More on Antibacterial tinctures Nov 17).

### **Antibiotic Tinctures**

**with Herbalist Angela Segraves**

*Location: TBA upon registration*

*Sunday, November 17 • 10am-1pm, \$30*

An in-depth look at bacterial infections worldwide, the importance of having Antibiotic Tinctures and which tinctures to have on hand. Make a variety of tinctures to address bacterial infections. \$5 material fee for per tincture.
