

Composting Panel

Get your questions answered from people with lots of Composting experience

Wednesday, March 27th
6:00 to 7:45pm, Free

Compost holds water in our dry climate, builds soil, strengthens plant health, saves money, and at the same time reduces greenhouse gas emissions in the environment.

Livingston Library
228 W Callender St.

Whether you are a *farmer, backyard gardener or growing in pots* **come join our lively discussion!**

Plant based snacks provided.

Composting panel:

Nate Brown / Amaltheia Dairy

Katherine Dunlap / Backyard Composter

Ryan Green / Happy Trash Can Composting

Michelle Evans / Earth, Wind, Fire and Solar

Annalisa Pedraza / Rising Crane Permaculture
